

Pandemic Pay Fightback June 17, 2020

Unifor Members in the Hospital Sector;

As part of our plan to fight back about the exclusion of many hospital workers from pandemic pay, your local union and workplace committee will be distributing stickers to wear in the workplace on Wednesday June 17, 2020.

The message on these stickers is “It takes a team to care”, and we encourage all members to wear the sticker, even those who are already included in the pay.

We also ask that you share photo’s of yourselves with the stickers on social media. Use the hashtags #PandemicPay and #ItTakesaTeamtoCare. You may also want to tag Premier Ford @fordnation and Minister Elliott @celliottability in your post.

This is a joint effort with Unifor, CUPE and SEIU who also represent excluded members, but we encourage you to share your stickers with any of your co-workers. We will issue a joint news release for Wednesday morning that we encourage you to share.

Unifor’s position has firmly been that any worker covered by the emergency orders should be included in the pandemic pay.

We also encourage you to sign our online petition at : www.unifor.org/fairpay

Unifor will continue to provide updates as information becomes available at unifor.org/COVID-19. Please sign up for the union’s weekly newsletter at unifor.org/subscribe and download the Unifor mobile app on the Google Play store or the Apple App Store on your smartphone.
